if it is bilingualism that transfers information and ideas from culture to culture it is the translator who systematizes and generalizes this process the translator serves as a mediator of cultures in this collection of essays based on a conference held at the university of hartford a group of individuals professional translators linguists and literary scholars exchange their views on translation and its power to influence literary traditions and to shape cultural and economic identities the authors explore the implications of their views on the theory and craft of translation both written and oral in an era of unsettling globalizing forces

this volume addresses the global reception of untranslatable concrete poetry featuring contributions from an international group of literary and translation scholars and practitioners working across a variety of languages the book views the development of the international concrete poetry movement through the lens of transcreation that is the informed creative response to the translation of playful enigmatic visual texts contributions range in subject matter from ancient greek and chinese pattern poems to modernist concrete poems from the americas europe and asia this challenging body of experimental work offers creative challenges and opportunities to literary translators and unique pleasures to the sympathetic reader highlighting the ways in which literary influence is mapped across languages and borders this volume will be of interest to students and scholars of experimental poetry translation studies and comparative literature

translation from both a theoretical and practical point of view articulates differing but interconnected modes of circulation in the work of writers originally from different geographical areas of transatlantic encounter such as europe latin america north america and the caribbean after translation examines from a transnational perspective the various ways in which translation facilitates the circulation of modern poetry and poetics across the atlantic it rethinks the theoretical paradigm of anglo american modernism based on the transnational interlingual and transhistorical features of the work of key modern poets writing at both sides of the atlantic namely the portuguese fernando pessoa the chilean vicente huidobro the spaniard federico garcía lorca the san francisco based poets jack spicer robert duncan and robin blaser

the barbadian kamau brathwaite and the brazilian brothers haroldo and augusto de campos

for a more encompassing and stimulating picture of modernism seen as a movement of the 20th century a broad spectrum of work across many countries we must explore its diversity portuguese modernism manifested itself both in visual art and in literature and made a vigorous contribution to this time of profound cultural change indeed the sociocultural transformations that marked the early 20th century in portugal are still current this volume provides a critical guide for students and teachers contributed by an array of scholars with unparalleled knowledge of the period its artists and its writers steffen dix is research fellow at the institute of social science university of lisbon jeronimo pizarro is research fellow at the linguistics centre university of lisbon

as the world becomes increasingly globalized the integration of cultures within nations has become more and more relevant read takes a poetic approach to the concept of cultural conflict within nations and adds a new perspective that has rarely been seen in debate

dans un monde où le comparatisme est partout mais la littérature comparée institutionnellement de plus en plus menacée là où elle s'est historiquement développée en occident tandis qu'elle semble au contraire se développer en asie dans un contexte de mondialisation économique et de développement de l'informatique qui affecte tant l'économie du livre que le statut de l'auteur du texte et le rôle du lecteur l'ensemble de ces six volumes qui réunit une sélection des actes du vingtième congrès de l'association internationale de littérature comparée propose une réflexion sur les bases à donner à une critique littéraire comparatiste et sur les relations entre le comparatisme en littérature et dans les autres domaines du savoir et des arts page 4 of cover

sound one of the central elements of poetry finds itself all but ignored in the current discourse on lyric forms the essays collected here by marjorie perloff and craig dworkin break that critical silence to readdress some of the fundamental connections between poetry and sound connections that go far beyond traditional metrical studies ranging from medieval latin lyrics to a cyborg opera sixteenth century france to twentieth century brazil romantic ballads to the contemporary avant garde the

contributors to the sound of poetry the poetry of sound explore such subjects as the translatability of lyric sound the historical and cultural roles of rhyme the role of sound repetition in novelistic prose theconnections between sound poetry and music between the visual and the auditory the role of the body in performance and the impact of recording technologies on the lyric voice along the way the essaytake on the ensemble discords of maurice scève s délie ezra pound s use of chinese whispers the alchemical theology of hugo ball s dada performances jean cocteau s modernist radiophonics and an intercultural account of the poetry reading as a kind of dubbing a genuinely comparatist study the sound of poetry the poetry of sound is designed to challenge current preconceptions about what susan howe has called articulations of sound forms in time as they have transformed the expanded poetic field of the twenty first century

the first full scale english translation of one of brazil s and the world s most influential avant garde literary voices a generous introduction to one of the key literary figures to emerge from brazil in the second half of the twentieth century this book offers english speaking readers an ample selection of this prodigious writer s celebrated poetry and widely influential critical work as a poet and as a cofounder of the renowned group noigandres haroldo de campos has made a unique and substantial contribution to the theory and practice of experimental writing particularly the form known as concrete poetry and to the latin american avant garde as a whole these contributions acclaimed worldwide by figures such as umberto eco jacques derrida octavio paz and guillermo Cabrera infante can be observed unfolding here first in poetry selections ranging from de campos early work before concretism through his most recent production then in theoretical texts that trace his evolution as a critic from an early interest in baroque and modernist writers to his development of an innovative model for reading translating and writing this second critical section of the book includes de campos encounters with the tasks of translating and reading some of the most important texts of eastern and western culture from ecclesiastes to the no play hagoromo from dante to paz thus charting a genealogy of modern literature together these poems and critical writings afford english speaking readers their first sustained exposure to a unique personality within the international avant garde a writer described by brazilian poet joão cabral de melo neto as that wonderful thing a poet and a translator who came to literature armed with an enviable knowledge of the literary phenomenon

this book is based on a series of papers that were presented at conferences at oxford and yale universities in honour of haroldo de campos as a poet critic and translator it is important for its critical focus on the concrete aesthetic in prose and poetry as well as the close up of haroldo de campos by major names in international literary studies a founder of the movement of concrete poetry in brazil in the 1950s haroldo de campos 1929 2003 was a distinguished essayist translator and theorist nicknamed by german semiotician max bense the locomotive of sao paulo campos s influence has been profound he changed the course of brazilian literature and portuguese language poetry in over fifty years of devotion to their international and comparative dimensions caetano veloso alludes to campos in his songs the tropicalia movement made him known to an entire new generation and the writing of poetry in brazil came to reflect concrete techniques and materials

an introduction to the world of fernando pessoa 1888 1935 a fascinating and complex figure in european literary modernism and avant garde adverse genres in fernando pessoa describes how the enigmatic author combined traditional forms and modernist content by separating form and content or author and text or self and non self pessoa gives new life and character to historical genres for a modernist age
